BISTRO

The Bistro collection is a modern classic, designed for restaurants, cafés, bars and hotels. Its clean, refined lines, well-balanced proportions and extensive range make it easy to find the ideal solution for any hospitality concept. The collection blends effortlessly into a wide variety of interiors, from cosy bistros and family restaurants to contemporary dining venues and classic hotels.

Part of the Comfort range, the Bistro collection combines elegant design, durability and everyday practicality with excellent value for money. A versatile choice for professional use, it offers the perfect balance of style, functionality and reliability.
