Perfect GRACE OF FORM

The Diva collection is a refined interpretation of elegance. Smooth lines and a graceful taper create an expressive silhouette infused with feminine grace. The shapes feel light and noble, transforming serving into a true aesthetic pleasure.

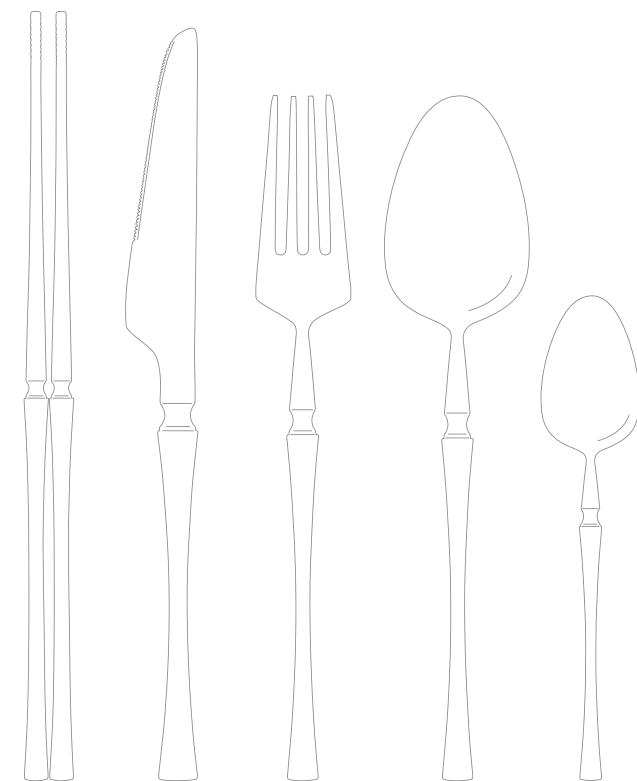

The collection is available in four shades (silver, gold, bronze, and black) and in two finishes: glossy and matte. This combination offers a wide range of stylistic possibilities, from understated modern elegance to expressive, status-enhancing accents. A special place is held by the Diva Bamboo version: matte silver cutlery with bamboo handles, where refined design meets the natural warmth of the material.

Diva is an extended line designed for a complete table setting. The collection includes dinner, dessert, and snack cutlery, soup spoons, butter knives, pastry forks, and chopsticks. Its ergonomic shape ensures comfort in use; it fits securely in the hand and creates a sense of calm, comfort, and a special mood.

Diva – when every meal becomes a moment worthy of a royal bearing.
