Timeless aesthetics THAT CREATE TRADITION

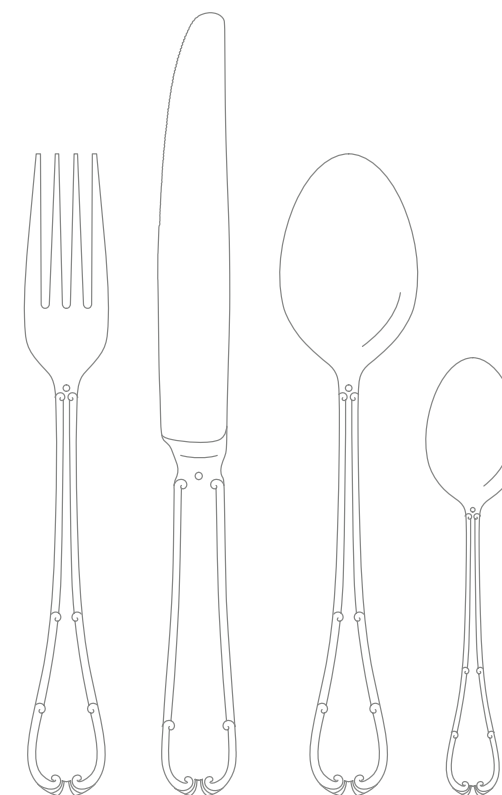

The Dynasty collection is the finest expression of noble classicism in a contemporary form. The design features a refined border with elegant decorative scrolls inspired by antique silverwork. Clear contours, substantial forms, and confident silhouettes give these pieces a truly prestigious character, one that conveys a sense of heritage and continuity.

Presented in five modern shades (silver, gold, champagne, bronze, and black onyx), the collection looks elegant and refined while remaining true to classic style. The collection includes all essential pieces: dinner knife, fork, and spoon; dessert cutlery; steak knife; tea and coffee spoons; and a miniature moka spoon for espresso. Completing any table setting, Dynasty brings an atmosphere of aristocratic elegance.

The collection goes beyond cutlery: a full porcelain line featuring the same signature decorative motif is currently in development, becoming a natural extension of the series. Together, they will form a cohesive, harmonious ensemble, aesthetic, prestigious, and truly collectible. Dynasty is the kind of classic you will want to pass down.
