Real gem

Diamond

The glasses in this collection embody elegance and sophistication. Each one is hand-blown from impeccably clear crystal glass, celebrated for its pristine transparency.

The hallmark of these glasses is their distinctive twisted stem – designed for both comfort and a secure grip. It seamlessly transitions into a stable base, preserving an impression of lightness and grace.

The collection offers a diverse selection of forms: from graceful champagne flutes and delicate cream bowls to elegant sherry glasses – each piece crafted with meticulous attention to proportion and detail.

The chime of a Diamond glass is pure pleasure. Clear, resonant, and joyful, it turns every clink into a musical note of festivity.

Beyond glassware, the Diamond collection features fine porcelain tableware and premium stainless-steel cutlery, completing the luxurious dining experience.

Truly exquisite tableware – shine bright like a diamond!
