## Diamond

The Diamond cutlery collection in gold reflects timeless sophistication and royal elegance. Its signature diamond-patterned handles match the delicate details of the porcelain pieces from the same line, creating a stylish and coordinated look, much like fine jewelry on the table.

The rich gold finish highlights each piece's silhouette, adding a refined and distinguished touch to any table setting. Crafted from high-quality stainless steel, this cutlery is not only visually stunning but also highly durable – designed to withstand daily use while retaining its brilliance. Each piece is carefully weighted, offering a satisfying solid feel that conveys quality and balance.

Whether you're setting a classic table or embracing contemporary styles – from minimalist to neoclassical – the Diamond collection harmonizes beautifully with a wide range of aesthetics.

This elegant series includes a complete range of flatware, from tea and dessert spoons to specialized fish, fruit, and pie cutlery – perfect for those who appreciate attention to detail and a comprehensive dining presentation.

In addition to the gold finish, the Diamond collection is also available in silver, a timeless classic, and in black onyx – a bold, glossy black ideal for making a statement, catering to eclectic tastes or those who seek a modern edge.

Truly exquisite tableware – shine bright like a diamond!
