SONATA

The Sonata cutlery collection is a harmonious fusion of art and functionality.

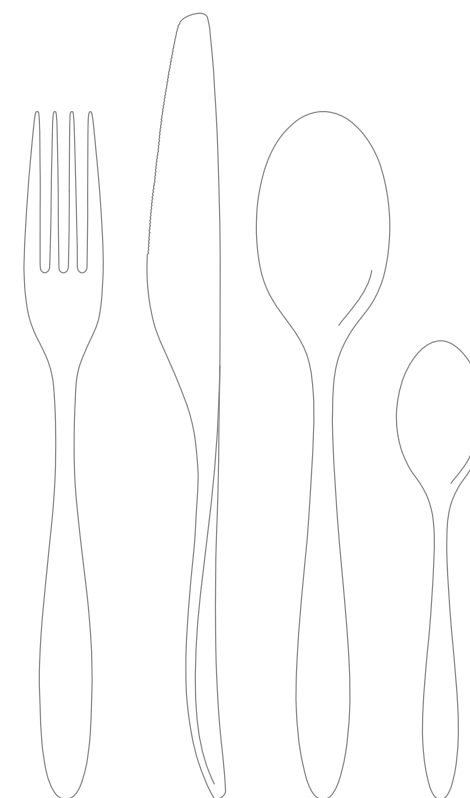

Each refined piece, inspired by the flowing rhythm of musical notes, creates a graceful visual melody at the table. A palette of five elegant finishes – silver, bronze, gold, black onyx, and champagne – allows every hue to reveal its own unique character. The versatile design complements both classic white porcelain and textured, colorful tableware with equal ease.

Crafted from high-quality stainless steel, the cutlery is designed for lasting durability and everyday use. Each piece is expertly polished and perfectly balanced for comfort and performance. The knife, distinguished by its unique handle geometry, features a design that allows it to rest perpendicular to the table surface – a subtle yet striking detail that adds refinement to any setting.

Like Beethoven's timeless compositions, the Sonata collection embodies classic elegance with a distinctive modern spirit. With Sonata, the art of dining becomes a symphony – where every meal resonates with beauty, balance, and grace.
