A Refine

INTERPRETATION OF THE CLASSICS

The Triumph collection is a contemporary take on classic forms. The rhythmic longitudinal relief of the handles evokes architectural columns, giving the flatware a ceremonial cadence and expressive tactility. A smooth transition to the miniature cup shaped tip creates a distinctive silhouette in which every detail contributes to a sense of triumphant flourish and confident style.

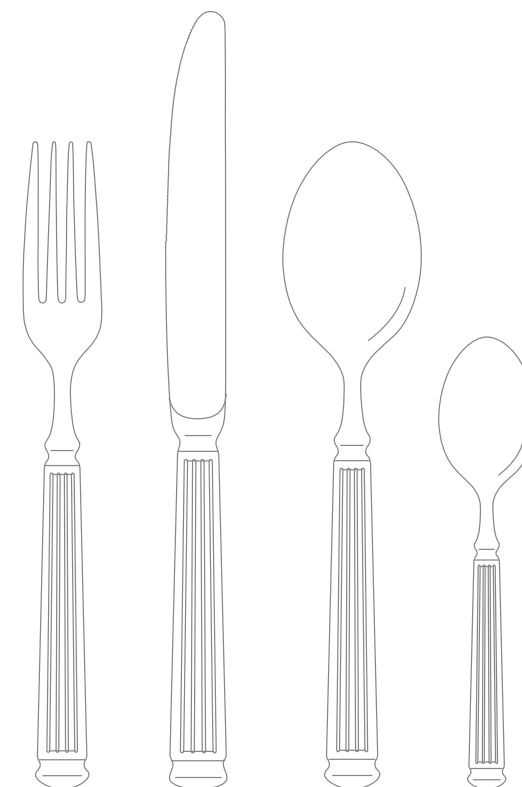

Presented in five modern shades (silver, gold, champagne, bronze, and black onyx) this line looks especially striking: on one hand, it is pure classicism; on the other, a bold and contemporary interpretation of it.

Triumph becomes a vivid accent in classic table settings, unfolds beautifully within Art Deco aesthetics, and adds that wow effect and a touch of status driven chic to modern interiors.

The collection includes essential tableware pieces, tea and coffee spoons, and a pastry fork, a complete basic set that forms an exquisite foundation for any table setting. Triumph is where classic design speaks louder and style emerges in every line.
