*Movement in form.
Character in detail.*

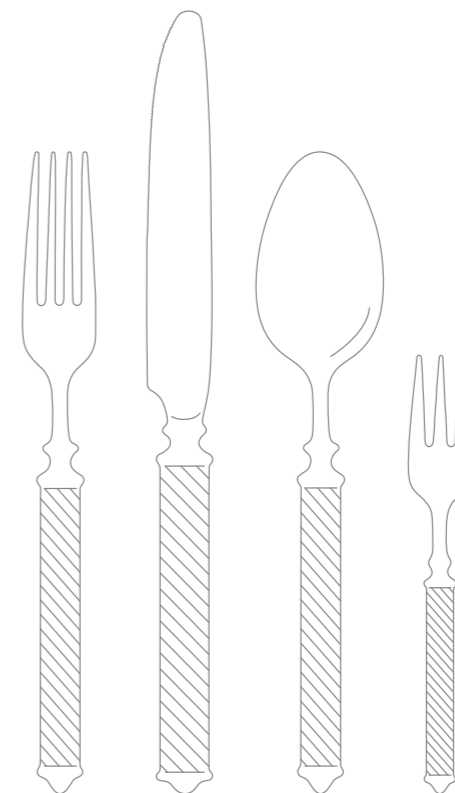

The Wilmax cutlery collection with its textured twist handle is a true interplay of lines and surfaces. A graceful diagonal twist runs along the handle, complemented by a finely sculpted detail at the base, creating a sense of movement, dynamism, and playful elegance. Each piece becomes a striking accent, bringing energy and contemporary flair to any table arrangement.

Crafted from high-quality 18/10 stainless steel and available in five stunning finishes (silver, gold, bronze, champagne, and black onyx) these pieces add depth and texture to every setting. The Twist collection fits effortlessly into modern interiors, where form and detail are celebrated, and enhances classic tablescape with a fresh, modern touch.

The textured handle feels especially pleasant in the hand, making each meal a tactile experience. The collection includes all the essentials: snack and dinner forks, dinner cutlery, tea and coffee spoons, and a dessert fork; everything you need for a bold, expressive, and thoroughly modern table setting.
